“DON’T GIVE UP ON ME!”

EXCLUSIVE INTERVIEW WITH DARRYL STRAWBERRY

Interviewed by Actor / Director Daniel Baldwin

Darryl Strawberry is one of the greatest to ever play the game of baseball. He may also be one of the greatest, most approachable men we've met and certainly his personal story of tragedy, hope, redemption and victory is one of the most inspiring we've heard.

For baseball fans, his accolades in the game are ...stupendous.

Playing right field through the 80s and into the early 90s, the "Straw Man", as he was called, was one of the most feared men ever to step foot into the batters box. Legendary for his crushing, opponent-demoralizing home runs, he made many of the pitchers he faced tremble at the sight of his 6-foot-6 frame with his long, looping swing, many fans compared to the Great Ted Williams.

As great and public as his triumphs were on the field, his tragedies were equally great and equally public. Plagued with addiction, abuse, divorce, jail and twice battling cancer, Darryl's come back story, his redemption and restoration through Jesus Christ, along with his vision for others and tireless work

He thrilled millions of fans who followed his 17 year career from the New York Mets, the Los Angeles Dodgers, the San Francisco Giants and the New York Yankees.

ethic is perhaps a greater story than anything he ever accomplished on the baseball diamond.

"I was once very lost and tormented, but now I am found and free in Christ Jesus. I want everyone to experience the saving and transforming power of Jesus Christ."
- Darryl Strawberry

Today, Darryl and his wife Tracy travel the country with their ministry and are enthusiastically received, speaking at churches and events from coast

to coast. Their purpose and passion is evangelizing Christ, breaking addiction, healing marriages and transparently sharing Darryl's own story of redemption in an effort to help even a single person to find hope and to transform their life through the restorative power of the Gospel.

We had the opportunity as Darryl took time from his tireless schedule to sit with us in the Recovery Today studios for this inspiring interview with fellow recovering addict, Actor, Director Daniel Baldwin. Everything is covered in this interview, which is sure to give hope, even to the hopeless. Enjoy.
